

CHURCH OF SAINT IGNATIUS OF LOYOLA IGLESIA DE SAN IGNACIO DE LOYOLA

First Sunday of Advent

Primer Domingo de Adviento

November 29th, 2020

Rouse your power and come to save us!

¡Despierta tu poder y ven a salvarnos!

From the Desk of the Pastor

Dear Parishioners,

Happy First Sunday of Advent!

In my First Sunday of Advent bulletin letter last year (12/1/19), I wrote to all of you in expectant, but fearful anticipation of the crowds that join us each year for Christmas. Particularly at 4:00pm on Christmas Eve the numbers had gotten so large that in recent years we've had to begin to offer two simultaneous masses – one in the upper Church and the other in our Lannon Chapel.

I asked that we look upon all the new faces that may show up during Advent, and especially at Christmas, as an answer to someone's prayer for them. I further suggested that perhaps someone you are praying for might similarly show up as a new face at a parish somewhere. I further pointed out that our hope surely is that all of them begin to return regularly. Still if they return once or just twice a year, it is better than nothing. After all their presence are prayers answered, even if only partially.

I then invited us to ask ourselves how we would want our answer to prayer to be treated. What type of welcome would we want them to receive at the Church where they show up? Wouldn't we want them to be warmly welcomed? Wouldn't we want to see the regular parishioners at that parish at least take their coat off the seat next to them or maybe slide over to make room? Wouldn't we want some regular parishioners to introduce themselves and try to start some conversation?

Finally, I ended with a hope that all through the Advent and Christmas Season we each "stay awake" diligently on the lookout for new faces – those possible answers to someone's prayers. Then, when we find these non-regulars, let's give them the welcome we would give to the Christ child. Let's help them to feel they've come to the right place; they belong.

Of course, this year because of the need to contain the spread of the coronavirus, we will not have any real opportunity to be "watchful and alert" for new faces coming to our Church. Not only has our capacity been drastically reduced by the protocols of the pandemic, but also many do not feel at all comfortable being in a large indoor public space, even with masks and social distancing.

Knowing that we will neither have the crowds nor the number of volunteers necessary to handle many public Masses, we will have this year just two livestream Masses – one at midnight and the other at 10:30am Christmas morning – each open to our registered parishioners with advance reservation.

As for our very popular annual Christmas Children's Pageant, we are currently in the process of putting together a vir-

Estimados Feligreses:

¡Feliz Primer Domingo de Adviento!

En mi carta del boletín del primer domingo de Adviento del año pasado (12/1/19), les escribí a todos ustedes con expectativas, pero temerosa anticipación de las multitudes que se unen a nosotros cada año para Navidad. Particularmente a las 4:00 pm en Nochebuena los números se habían vuelto tan grandes que en los últimos años hemos tenido que empezar a ofrecer dos misas simultáneas: una en la Iglesia superior y la otra en nuestra Capilla Lannon.

Pedí que miráramos todos los rostros nuevos que pueden aparecer durante el Adviento, y especialmente en Navidad, como una respuesta a la oración de alguien por ellos. Sugerí

además que tal vez alguien por quien estás orando podría aparecer de manera similar como una nueva cara en alguna parroquia en alguna parte. Además, señalé que nuestra esperanza era que todos ellos comenzaran a regresar regularmente. Si aún así regresaban una o dos veces al año, era mejor que nada. Después de

todo, su presencia era oraciones contestadas, aunque sólo parcialmente.

Entonces los invité a preguntarnos cómo queríamos que se tratara nuestra respuesta a la oración. ¿Qué tipo de acogida deseábamos que recibieran en la Iglesia cuando aparecen? ¿No queríamos que fueran recibidos calurosamente? ¿No queríamos ver a los feligreses habituales de esa parroquia al menos quitar su abrigo del asiento junto a ellos o tal vez deslizarse para hacer sitio? ¿No queríamos que algunos feligreses se presentaran e intentaran iniciar una conversación?

Finalmente, terminé con la esperanza de que durante toda la temporada de Adviento y Navidad cada uno "permaneciera despierto" diligentemente buscando nuevas caras, esas posibles respuestas a las oraciones de alguien. Entonces, cuando encontráramos a estos no regulares, les diéramos la bienvenida que le daríamos al niño Dios. Íbamos a ayudarles a sentir que han llegado al lugar correcto; donde pertenecen.

Por supuesto, este año, debido a la necesidad de contener la propagación del coronavirus, no tendremos ninguna oportunidad real de estar "vigilantes y alerta" para recibir los nuevos rostros que llegan a nuestra Iglesia. No sólo nuestra capacidad se ha reducido drásticamente por los protocolos de la pandemia, sino que también muchos no se sienten en absoluto cómodos al estar en un gran espacio público interior, incluso con máscaras y distanciamiento social.

Sabiendo que no tendremos las multitudes ni el número de voluntarios necesarios para manejar muchas misas públicas, tendremos este año sólo dos misas en vivo, una a medianoche

tual Liturgy of the Word with a children's pageant that will premiere at 4:00pm on Christmas Eve. [Families stay tuned for how you might be part of the Christmas Pageant!] We will follow this premiere with a chance for families to gather together on Zoom to offer one another Christmas greetings.

I am sure when we closed our church building on March 14th none of us would have ever imagined that we would still not be able to gather as a full parish community this Christmas. And while many of us might not be able to be "watchful and alert" for new faces arriving at our Church here in Chestnut Hill, let us be "watchful and alert" for opportunities in which Christ will come to us:

-- for Christ plays in ten thousand places,
Lovely in limbs, and lovely in eyes not his
To the Father through the features of men's faces.

As Kingfishers Catch Fire
Gerald Manley Hopkins, S.J.

Peace,
Fr. Joe

y la otra a las 10:30 de la mañana de Navidad, cada una abierta a nuestros feligreses registrados con reserva previa.

En cuanto a nuestro muy popular Nacimiento viviente con niños, actualmente estamos en el proceso de armar una liturgia virtual de la Palabra con una representación infantil que se estrenará a las 4:00 pm de la víspera de Navidad. [¡A las familias, que estén atentas a cómo podrían ser parte de este Nacimiento Viviente!] Seguiremos este estreno con la oportunidad de que las familias se reúnan en Zoom para darse saludos navideños.

Estoy seguro de que cuando cerramos el edificio de nuestra iglesia el 14 de marzo ninguno de nosotros habría imaginado que todavía no seríamos capaces de reunirnos como una comunidad parroquial completa esta Navidad. Y aunque muchos de nosotros no podamos estar "atentos y alerta" a los nuevos rostros que llegan a nuestra Iglesia aquí en Chestnut Hill, estemos "atentos y en alerta" ante las oportunidades en las que Cristo vendrá a nosotros:

- porque Cristo está en diez mil lugares,
Encantador en sus extremidades, y encantador en los ojos
que no son los suyos
Al Padre a través de los rasgos de los rostros de los hombres.

Como los Martín Pescadores se incendian
Gerald Manley Hopkins, S.J.

Paz:
P. Joe

Virtual Posada Journey: In Search of Shelter and Protection December 16th - 24th

This year because of the pandemic, Ignatian Solidarity Network invites you to join in Virtual Posadas where you will receive a daily experience of music, art, prayer and reflection as we virtually journey with migrants on the U.S.-Mexico border in search of shelter and protection, just as the Holy Family did on Christmas Eve.

To register for this experience, contact Kathy Maher at katherine.maher@bc.edu by December 12th. Please indicate if you would like to receive materials for this experience in English or Spanish.

What are Posadas?

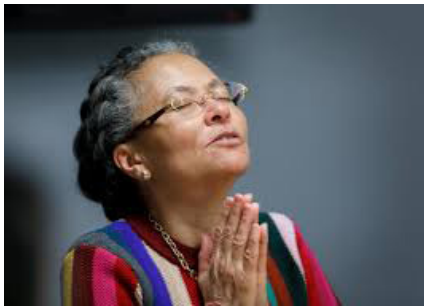

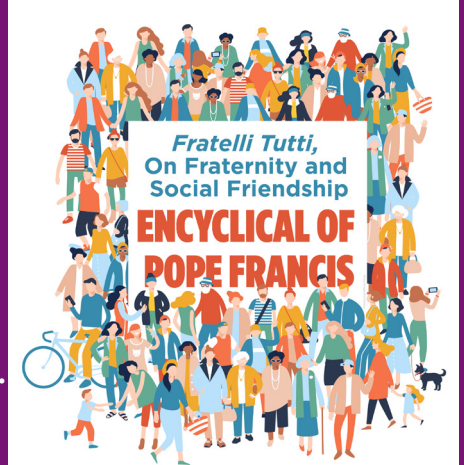

The tradition of Las Posadas is a reenactment of the journey when Joseph and Mary searched for room at the inn, but none was to be found. In a traditional Las Posadas celebration, a group of people travels from house to house singing, seeking shelter for the night, answered by those indoors, answering in song. At the final home, the peregrinos, or pilgrims, are welcomed inside to pray, eat, and celebrate.
